

PRE CANSKATE & CANSKATE NEWS

Welcome to all our new and returning PreCanSkate and Canskate skaters. We hope that your child is enjoying skating in our Learn to Skate programs. Our professional coaches are assessing the skaters each week. From time to time, your child will receive a colouring sheet, a ribbon and/or badge that indicates their most recent achievements. Please feel free to contact us if you have any concerns about your child's skating needs.

Each time you arrive at the arena for skating, please pick up your child's name tag from the table in the lobby and attach it to their jacket. All club notices, badges and ribbons will be attached to your child's name tag.

For those interested in adding an extra day of skating, we still have room on our CanSkate session on Fridays from 4:20-5:05pm. If you have a friend, neighbour or relative interested in learning to skate please have them visit our website at www.orilliafigureskatingclub.com.

The Orillia FSC is a non profit organization that relies on fundraising to help pay for our ice time and the cost of running programs. If you have most recently joined, you will find attached to your child's name tag is a booklet of tickets for you to sell as part of the Orillia FSC fundraising efforts. The cost of these tickets was included in your membership fees. There are 20 tickets in each booklet for a total of \$40.00. Sell each ticket at \$2.00 each and **YOU** keep the money. Please return your ticket stubs to the Orillia FSC office, to the CanSkate table or to one of our coaches prior to the Christmas break.
