

2025/2026 Corporate and Carnival Sponsorship

Dear Skating Families,

We're thrilled to announce that the Orillia Figure Skating Club is celebrating a major milestone this season — our 75th Anniversary! It's an exciting time for our club, and we're planning a very special Carnival (Ice Show) to mark the occasion featuring none other than Olympic medalist and world champion, Elvis Stojko, as our special guest skater!

This milestone event not only honors our club's rich history and dedication to developing young skaters, but also promises to be a spectacular showcase of talent, community spirit, and family fun. To make this celebration truly spectacular, we're inviting local businesses and organizations to support the event through corporate sponsorship and/or carnival advertising. Sponsorship not only helps cover costs for the show and ongoing club programs, but also offers great exposure for businesses within our community.

The Orillia FSC is offering different sponsorship levels for sponsors to choose from and each level will provide the sponsors with more ways for their business to be recognized. Please see attached information on all sponsorship levels. If your family brings in a Corporate Sponsor this season, 10% of sponsorship price will be applied to your uplifter account. For example, a platinum sponsorship would result in a \$150 credit being applied to your account.

As we prepare to celebrate our club's incredible 75th Anniversary, we're reaching out to our skating families for support in making this year's Carnival (Ice Show) a truly memorable event. Carnival is a great opportunity for all our skaters to showcase their talent to our community and to their family and friends. To help cover the costs of costumes, decorations, ice time, and special anniversary features, we ask our local businesses to advertise their company in our Carnival program. Our carnival program will be made available to over 1500 guests that will attend the two shows on Saturday March 7, 2026.

We are hoping that you, the parents/guardians of skaters in our club will be able to find local businesses that may be willing to advertise in the carnival program or offer corporate sponsorship. Sponsorship and advertising packages have been attached to this letter. The Orillia FSC will be accepting advertisers and sponsors until November 30th, 2025. If you have any questions, please contact Angela Hilts at sponsorship@orilliafigureskatingclub.com

Thank you for being part of our skating family — we can't wait to celebrate this incredible anniversary with all of you!

Warmly,

Angela Hilts
