PLEASE BE PATIENT!! Be prepared for a busy night!

All skaters, PLEASE show up 15-20 min before your regular skating time. The ice schedule WILL remain the same. Dressing rooms will be set up for each carnival number as shown above. **You MUST wear ALL of your accessories that are needed for each costume, which is listed in your January Newsletter**

When you arrive at the arena, go to your assigned dressing room, put your costume on, and go on the ice at your scheduled time (except Advanced CanSkate, see Advance CanSkate Picture Information). Each group will be called off the ice to have their group and individual pictures taken.

Please be PATIENT! We have a lot of skaters to photograph in a short period of time. We will try our best to stay on time! After the picture, skaters may go back on the ice if time permits for their session.

Photos WILL be taken at the scheduled times and in the scheduled order. We can NOT retake pictures for those who arrive late.

At the end of your session, costumes are to be removed and left in the change room. **DO NOT** take any part of your costume home, except the accessories you provided.

M Racco Photography will be taking the Carnival photos. Photo purchasing information is attached.
