## **\*\*ATTENTION PRECAN PARENTS!!\*\***

All PreCan skaters are required to have one parent assist each skater in the dressing room. One parent and child must register at the sign in table 45 minutes before each carnival performance, including dress rehearsal. The parent will accompany their child to the dressing room, assist to put on costume and skates. **All skaters must have guards - with last name clearly marked on the guards.** The parent will proceed to line up with their skater and accompany them to the back (ice curtain entrance). All parents who have assisted in the dressing room will be able to watch their skater from the far end of the arena. Once the skaters are finished performing, the parents will escort their skater back to the change room, get them undressed and then sign out at the security table.

## **\*\*ATTENTION CANSKATE PARENTS!!\*\***

All CanSkaters perform in the dress rehearsal and **both** Saturday shows. CanSkaters must register at the sign in table 30 minutes before dress rehearsal and 45 minutes before each performance. **Only parents who have signed up to volunteer in the dressing rooms will be allowed in the dressing room area.** Once signed in, your child will be escorted by a parent volunteer to the appropriate dressing room. Volunteers will assist with costumes and skates. 15 minutes after your child has finished skating in the show, parents must pick-up their skater(s) in the designated 'pick up' area. Parents may not wait until intermission or end of the show to pick up their skaters(s). Parents will be required to sign in/out their skater(s) for dress rehearsal and both shows.

## **TICKETS**

The Orillia FSC will be selling Carnival tickets online to our skating families starting Tuesday February 3<sup>rd</sup>. The cost per ticket is \$25.00 each. You will receive a link via email that will allow you to purchase tickets. **If you sign up to volunteer in the dressing room for the show,** you do not need a ticket as you will have a wristband that allows you into the performance area. However, **you DO NOT have a seat.**

Skaters participating in the show do not need a ticket, but they **DO NOT** have seat. Once they have completed their performance they can stand and watch from the view area or sit on your lap. If you require your child to have a seat, then you will need to purchase a ticket for them. **We expect both shows to sell out, so please plan ahead.**
