ANNUAL SKATERS PROMOTION CONTEST

The Skate Ontario Ticket booklets have been distributed to skaters. They are included in each skater's registration fees. Tickets are two dollars each. Sell them and keep the money! When sold, booklets can be returned to your child's coach.

Canskate and PreCan Halloween Dress Up Days! October 26, 28, 29, 31st

Please make sure costumes are appropriate for skating. Skaters should be able to see properly and be able to skate without their costume dragging on the ice. Helmets must be worn for all skaters on PreCanSkate and CanSkate skaters working on badges 1-5.

Regular lessons will take place on these four days. If you prefer your child to not wear a costume, they are still encouraged to skate. You may consider attaching a silly hat to their helmet, just for fun!!
