

PreCanSkate & CanSkate News

We hope everyone has enjoyed skating with us for the 2022-2023 winter season. As our winter sessions come to a close, listed below are a few reminders:

LOTTERY TICKETS

Lottery tickets are now due. Please return your ticket stubs to the CanSkate table or to one of our coaches. If you haven't sold your tickets as of yet, you paid for them in your membership fees so just write your name and info on each stub and return them.

LAST DAY OF SKATING – Friday March 3rd for all Friday skaters
Monday March 6th for all Monday skaters
Wednesday March 8th for all Wednesday skaters

ALL skaters will be receiving a report card on the last day of skating. If you are unable to attend please let us know so we can make sure your child receives their report card.

SPRING SKATING

Please see attached the spring info package. Both PreCan and CanSkate sessions will begin the week of April 3rd and run until May 17th. ALL sessions will be at Rotary arena.

Registration will open soon. Please watch for a club email outlining when registration will open. SPACE is limited, and most programs fill up quickly. To ensure you don't miss out, make sure that you subscribe to Orillia FSC news and updates in your uplifter account.

Thanks for supporting the Orillia FSC this winter and we hope to see you at our spring session.

Please feel free to contact me if you have any questions or concerns,

Tracey Zwiers
CanSkate Coordinator
