July 2020

## Update on COVID-19.

We continue to miss our skating families, and we hope that everyone is staying safe and practising social distancing. Arenas are starting to open very slowly in some communities around us. Skate Ontario has provided initial guidelines for the safe return to skating.

As of June 29<sup>th</sup>, All Star Skate levels are allowed on the ice with a maximum of 10 people on the ice surface at one time. Facilities are also working on protocols to keep people safe, and limit the number of people in the arena. We are hopeful that Rotary Place will open sometime in mid- August.

The Orillia Figure Skating Club continues to take advice from the province of Ontario, the city of Orillia, Skate Canada and Skate Ontario. Please visit our website for more updates as they become available.
