Orillia Figure Skating Club

September 2020

Welcome back

On behalf of the Orillia Figure Skating Club Board of Directors, we would like to welcome everyone back to skating. We cannot express how grateful we are for all your support during this very difficult time.

The new rules and regulations are a bit challenging and we appreciate your patience as we continue to maneuver our way through this. We are very excited to celebrate all our skaters' success this year. With the inclusion of some themed skates, and hopefully a small gala, our skaters will be able to light up the ice with their talent and hard work. Please continue to read the newsletters and emails so we can keep everyone informed of any changes or upcoming events. Let's make the 2020/2021 skating season one of the best.

PreCan & CanSkate

Please note that as a result of Skate Ontario Covid Return to Play protocols, the Orillia FSC will NOT be able to offer our PreCanSkate session for skaters ages 3 to 5 in 2020.

We hope that if things change, we may be able to offer the program in January 2021. More information will be posted on our website in the Learn to Skate tab as details become available.

The Orillia FSC WILL be offering our CanSkate program to club skaters who are working on their Stage 3 badge or above.

This program will run from **October 14th until December 16th, 2020** on Mondays and/or Wednesdays.

A registration email will be sent to those skaters who qualify. Registration will be **LIMITED to 21 participants each session.**

A maximum of 25 individuals are allowed on the ice during a session including skaters, coaches and Program Assistants.

No physical contact is permitted between skaters and coaches.

No parents or spectators will be allowed in the building at this time.

We have adapted our circuits to allow for social distancing on the ice.
