STARSKATE MEMBERS!

Our club is a non profit organization run by volunteers. Being a part of the OFSC means volunteering and participating in our club fundraisers.

Music

- StarSkate parents must commit to a regular rotation of playing music during their child's registered session(s). It is the parents' responsibility to find a replacement or switch days with another parent if they cannot attend on the scheduled date. If you have not made arrangements to cover your music obligation then your child will be taken off the ice to play music for the session. If a parent continuously misses or fails to find a replacement for their session, it would be at the OFSC Board's discretion to charge the \$120.00 fee to their account.

Fundraisers

- Each skater's family is required to sign up for **one Bingo** a year (parents, guardian etc. will have to fill this responsibility) and **one time slot** during our tag day. There will be no credits given for participating in either of these fundraisers.

"Club Commitment Policy."

- There are 3 aspects to this policy. All StarSkaters will be expected to participate in two club fundraisers (**BINGO & TAG DAY**), and mandatory music playing throughout the year. If you are unable to attend an event **or** unable to make it to your scheduled music time, you will need to find someone to fill your spot.
- If any of the required commitments are not done by the required timelines, the \$120.00 per commitment will be charged to your account. If the amount due is not paid by the end of the current season, the skater will not be permitted to register for any other programs until the balance is paid in full. Skaters may be prohibited to participate in any Club events, Club competitions or Testing until the balance is paid in full.

Group Freeskate Lessons

We are including group freeskate lessons one day a week during the winter season for Bronze and Silver sessions. Skaters will have an opportunity to work with each of our coaches that are on the session. Skaters will be grouped according to skill level and rotate amongst our highly trained coaches. This is a great opportunity for skaters to not only work with their coach, but learn from other coaches as well. Skaters will be charged a fee for the semi-private lessons they will be receiving. However, this fee will be split by the number of skaters that are in the group which means skaters will, in some cases, be receiving more lessons for less cost. It is the parent's responsibility to pay each coach. If your child chooses to skate on the day group freeskate is taking place (Monday for Silver and Wednesday for Bronze), your child will be expected to participate in all the lessons and will be charged accordingly.

Price includes your skate Canada membership (\$45) as well as a lottery book (\$40).
