Skater of the Month

William is a talented skater at Orillia F.S.C. who competes in men's singles at the novice level. His dedication to the sport is unmatched, and he has set ambitious goals for his future. In his first year at the novice level, William earned the distinction of being the first alternate for the Skate Canada Novice Men's Nationals—an impressive achievement. He continues to train with determination, hopeful for another opportunity to compete at that level.

This season, William has successfully landed three new triple jumps, a major milestone in his development. He is making excellent progress and is on track to achieve strong results in the coming years. What's even more impressive is his ability to balance his rigorous training with his academic responsibilities, showcasing his discipline and commitment to both his sport and studies.

Congratulations to William on his achievements, and we look forward to seeing what he accomplishes next!

Club Swag Update
